To Mr. T. Nicholls

Dear Sir,

To tune your concertina & overhaul it will
cost 17/6. if you would like new thumb straps
fitted that will be 2/6 more, it would be an
improvement to have 2 7 notes an octave
lower than the present one fitted in place of
the low "B" sharps, this would be 2/- extra.
Awaiting your reply. Yours faithfully,
H. Dean.

Mr. T. Nicholls
