

World Concertina Day

The next Acoustic Night happens to fall on Thursday 6th February 2025, which is the anniversary of the birth of Sir Charles Wheatstone inventor of the concertina. From 7pm to 8pm, before the [Acoustic Night](#), all those with a concertina are invited to demonstrate this unique instrument in the bar of the **Red Cow**.

59/60 High Street, Market Harborough LE16 7AF.
